**SND Q 2** sound of pages falling and dream music.... Kate ends up on stage...

### **SCENE 2 -into the book**

**Girl:** What happened?

**Pancake girl:** Heh heh heh who are you?

**Girl:** I’m Kate.

**Pancake Girl:** I’m flat as a pancake.... Get it?

**Girl:** Where am I?

**Pancake Girl:** It’s just a dream you know.

**Girl:** okay then Pinch me. (*pancake girl pinches her*) OWE that hurt.

**Pancake Girl:** You told me to.

**Girl:** Well you’re no help. (*Along comes a dwarf named sneezy*)

**Sneezy:** Ahhhhhhhh Chooooo. Sorry Allergies! Do you have a tissue?

**Girl:** So do you know where I am?

**Sneezy:** Nope.

**Girl:** What is it with this place? Is everyone brain dead?

*(Along comes Grumpy & Snow white)*

**Grumpy:** What's this about being brain dead? I resent that girly.

**Snow White:** You resent everyone.

**Grumpy:** True. Makes things easier.

**Girl:** Oh thank goodness. Someone who might make sense. Where am I?

**Snow White:** Why you're here of course.

**Girl:** Really? That's your answer.

**Sneezy:** Unless you're there.

**Grumpy:** If you're there you are not here. Contrariwise if you're here you're not there.

**Girl:** Stop talking in riddles.

**Fox:** Who's talking in riddles?

**Grumpy:** No one. She just doesn't understand simple language.

**Girl:** Simple? Good grief!

**Sneezy:** AAAAAHCHOOOOOO! I think I need another tissue.

**Grumpy:** Oh for Pete's sake. Get some antihistamine or something.

**Sneezy:** My name's not Pete.

**Grumpy:** I don't like you.

**Fox:** So what's wrong?

**Girl:** Well no one can tell me where I am.

**Fox:** I can help you figure things out.

SCENE 2a There's chaos just waiting (ADDED SCENE)

**Pancake Girl:** *(goes over to the frozen characters and waves in front of them)*

So what's with the popsicles? Helllllloooo anyone home?

**Grumpy:** This doesn't make any sense. I wonder what would make them move?

**Pancake Girl:** Try something.

**Grumpy:** Me? Why me? Okay Fine! (pinches Taco Lady)

**Taco Lady:** Owe. Why did you do that?

**Grumpy:** What makes you think I did anything?

**Taco Lady:** This is the weirdest place. Heh wanna buy a Taco? \$3.99

**Grumpy:** What's a Taco?

**Pancake Girl:** Quick pinch someone else. (He pinches Cindy)

**Cindy:** Ouch. That hurt. Why would you hurt me?

**Grumpy:** I didn't do nothin! (*pancake girl rolls her eyes*)

**Cindy:** Right! And I'm not Cinderella.

**Grumpy:** She told me to. (*points to pancake girl*)

**Pancake Girl:** I did not. It was all his idea.

**Grumpy:** It was not.

**Pancake Girl:** Was too!

**Grumpy:** You...are imagining things.

**Pancake Girl:** AM NOT!

**Cindy:** Enough already. You too are giving me a headache. Where's Gus Gus? What have you done with him?

**Grumpy:** I didn't do anything. (*Cindy looks at pancake girl who shakes her head-then looks at Taco Lady*)

**Taco Lady:** Don't look at me. I'm just selling Tacos. Wanna buy one? Only \$3.99?

**Cindy:** No thanks. Too spicey! Have you seen a cat? -he's black and kind of vicious.

**Taco Lady:** No. I'm allergic. I'd know immediately if one was around. (*Pancake Girl pinches cindy and Cindy re-freezes*)

**Grumpy:** Heh what did you do?

**Pancake Girl:** Nothin'

**Grumpy:** You pinched her (points to Cindy )

**Taco Lady:** Don't you touch me. (*looking at pancake Girl as Grumpy sneaks up and pinches her and she freezes*)

**Grumpy:** Hmmm it works backwards. Interesting.....

### **Scene 3 The fox is pretty smart**

**Fox:** So stand over there. Here you are. Okay everyone else stand there.

They are there, you are here. See?

**Girl:** But that's nonsense.

**Fox:** Exactly. Now just wait for it... Here comes the queen of nonsense.

### **SND Q trumpet Royal (*enter Alice and QOH*)**

**QOH:** Off with her head.

**Alice:** But that is not fair. I've done nothing wrong.

**QOH:** Wrong? Why does that matter?

**Alice:** But I was following the white rabbit.

**QOH:** The white rabbit is busy.

**Alice:** Busy?

**QOH:** Yes he is getting your trial ready.

**Alice:** My Trial?

**QOH:** He insisted that we must have a trial to prove your guilt.

**Alice:** But all I did was attend a tea party. The Cheshire cat was the one who.....

**QOH:** Yes well they are all mad.

**Alice:** Who are all mad.

**QOH:** Everyone.

**Alice:** Why that's the silliest thing I've ever heard.

**Grumpy:** Heard a lot have you?

**Alice:** Who are you?

**Grumpy:** A dwarf if it is any of your business.

**Alice:** Well that's rude.

**Snow white:** He's Grumpy!

**Girl:** That's for sure!

**Grumpy:** Who asked you?

**QOH:** Off with his head.

**Snow White:** Who are you to pass judgment?

**QOH:** Are you saying you don't know who I am?

**Snow white:** I haven't a clue.

**Alice:** Maybe it would help if we introduced ourselves. I'm Alice

**Girl:** I'm kate

**Pancake Girl:** I'm a pancake girl.

**Fox:** Well it's kinda obvious what I am.

**Grumpy:** Well if you're obvious I should be positively unmistakable.

**Snow White:** I'm snow white and this is grumpy, and (***Sneezy sneezes***) and sneezy

**Sister:** There you are. Alice why aren't you reading your lessons?

**Alice:** And this is my annoying sister Elizabeth.

**Sister:** And don't call me Beth or lily. My name is Elizabeth.

**QOH:** I need no introduction of course!

**Fox:** Well now that we know everyone, the obvious question is what are we all doing ...here?

**Rosie Cinderella:** I'm telling you Cindy that cat went this way. He's been after Gus Gus and the rest of the mice.

**Cindy Cinderella:** Well we have to find him first. Before Drizella or step mama

**Rosie:** Uhhh Cindy? (Cindy is searching the floor)

**Cindy:** What? Why aren't you searching? (*Rosie grabs Cindy by the head and points her towards everyone so she can see*) Oh..... Hello.

**Fox:** And you would be???

**Rosie & Cindy (together):** Cinderella.

**Grumpy:** You can't both be Cinderella.

**Rosie & Cindy:** We're twins.

**QOH:** Off with their heads.

**Fox:** I'm sorry your majesty but there are rules about executions.

**QOH:** I know I know. We have to have a trial first.

**Fox:** There also has to be someone breaking the law. Last time I checked it isn't illegal to be twins.

**Sneezy:** They don't look a....ahhh....ahhhchoooo alike.

**Cindy:** We're not identical twins.

**Rosie:** I'm 15 minutes older.

**Grumpy:** Heh. My blood sugar's low. Anyone got any snacks?

**Fox:** What we need is some nice fat mice.

**Cinderella Rosie:** Bite your tongue.

**Fox:** (*bites tongue and tries to talk*) What good does this do?

**Cinderella Cindy:** It keeps you from eating our friends.

**Cinderella Rosie:** We have enough trouble with Drizella's cat Lucifer.

**Cindy:** He terrorizes Bruno our dog and the poor mice.

**Fox:** Ahhhh. That would be in the Disneyfied version of the story.

**Drizella:** Cinderella's where are you? You haven't cleaned the chimney, or ironed my dress for the ball. I'll keep looking until I find you.

**Rosie:** Quick hide us.

**Drizella:** Ahaha... I need you to wash the floor, do the dishes, and feed the animals. (*says it to QOH*)

**QOH:** I beg your pardon. I am a Queen. Off with her head.

**Fox:** Remember what the rules are your majesty.

**QOH:** I've never been one for following the rules. Who says there are rules anyways? I'm Royalty, I have no rules!

### **SCENE 3 a Crazy is right ADDED SCENE**

**Drizella:** Well that's not fair. Why should you get special treatment?

**QOH:** Off with...*(looks at Fox-Fox shakes her head)* Okay Fine. Royalty is Royalty darling. We are born to privilege.

**Drizella:** That's just crazy. Everyone is equal.

**Grumpy:** Oh you mean like how you treat Cinderella?

**Drizella:** Oh but she's a servant. That's different.

**Grumpy:** Since when?

**Drizella:** Since always.

**Grumpy:** That is just crazy!

### **SCENE 3 b What do we do? (ADDED SCENE)**

**Cindy:** What do we do? We can't stay hiding from Drizella forever.

**Rosie:** The last time I did dishes for 14 hours straight.

**Cindy:** She definitely has a list.

**Rosie:** So what else is new? If we sneak around everyone we might be able to get out of here without her noticing.

**Cindy:** Maybe. Could we fool her in some way. She's not the smartest tack in the box.

**Rosie:** I don't know. The last time we tried something on her, step-mamma chained us to the wardrobe remember. We ironed every dish cloth doily and towel in the house.

**Cindy:** So the question is.... What is worth it? We still have to find Gus Gus.

**Rosie:** Right. So sneaking out is our only option.

## **SND Q advertisement**

### **SCENE 4 Tacos anyone**

**Taco Lady:** Taco's for sale. \$3.99 or 2 for \$5.

**Sneezy:** Speaking of no rules.....ACHOOOOOOOO!

**Taco Lady:** Heh don't you dare sneeze all over my tacos'

**Girl:** You sell tacos outside our house.

**Taco Lady:** Could be! I sell on lots of streets. Don't recognize this place though. Once second I was in Granville park, the next walking along here. Musta breathed in too much red sauce.

**Pancake Gril:** Heh look what I found. It's a book with a bunch of pages in it.

**Girl:** My book. Oh wow Your all in it. See... shows book. There's even one of the flyers from the taco lady. I was using it as a book mark. There are some pages missing though.

**Taco Lady:** Lookee here, is anyone gonna buy some Taco's? I gotta keep moving to meet my quota.

**Grumpy:** I don't have any money, but that growling you hear-that's my stomach.

**Taco Lady:** No money! No tacos! I got bills to pay! Later! (exit)

**Alice:** Well that was just superfluous.

**Sister:** Recite.

**Alice:** Recite what Elizabeth?

**Sister:** Your vocabulary. The list we were reading this morning.

**Alice:** Now that's superfluous. A bunch of words in a book with no pictures in it.

**Cindy:** That would be rather boring if you ask me.

**Sister:** Well no one asked you.

**Rosie:** Heh leave her alone. If anyone's going to give my sister grief it should be me.

**Fox:** Taco lady's back.

**Taco Lady:** I went that way and somehow ended up right back here.

**Snow White:** That's what happened to me when I got lost in the forest and the dwarves found me.

**Taco Lady:** I AM NOT LOST!

**Fox:** Everyone pick a direction and walk. (all walk and end up back in same place.)

**SCENE 4 a Are we going in circles? (ADDED SCENE)**

**Cindy:** Now would be a good time to leave. While everyone's occupied.

**Rosie:** Okay and then we'll look for Gus Gus. ( They walk in a circle)

**Cindy:** Does it feel like we're going in circles to you Rosie?

**Rosie:** Yeah it's like we can't leave this area. It looks like no one can.

**Cindy:** uhoh.

**Rosie:** what.

**Cindy:** She found us.

**Drizella:** There you are. Here is my list. I need things done immediately so you can start on my ball gown.

**Cindy:** Well I don't know where you've been, but we're not going anywhere soon.

### **SCENE 5 walk to no where**

#### **SND Q Walk**

**Drizella:** This isn't possible. Cinderella Fix it right now! Or I'll be late for the ball.

**Grumpy:** What do you suggest? They wave their magic wands?

**QOH:** If rabbit were here he could fix it.

**Alice:** Where **IS** the white rabbit?

**QOH:** If I knew that you impertinent girl, YOU would be headless.

**Pancake Girl:** Heha look what I found.

**Girl:** Another page from the book.

**Fox:** This must have something to do with your book Kate.

**Girl:** But there are still some pages missing.

**Fox:** everyone search for the missing pages.

**Cindy:** What do they look like?

**Girl:** (*shows everyone a page*) Like this only with different numbers. No pictures.

**Sister:** That's my kind of book.

**Alice:** NOT MINE!

#### **SND Q SEARCH (*pages found given to Kate*)**

##### **SCENE 5a Found One (ADDED SCENE)**

**Taco Lady:** I found one. (*gives it to Kate*)

**Grumpy:** Well la de da.

**QOH:** Well do want this fixed or not?

**Sneezy:** Just ignore him. He's grumpy.

**Grumpy:** That's my name don't wear it out!

**Cindy:** I found one too. (*gives it to Kate*)

**Drizella:** At least you're good for something.

**Snow White:** I found another one. (*gives it to Kate*)

**Pancake Girl:** Are we there yet?

**QOH:** Were not there, we're here. I'm seriously considering rabbit stew for lunch.

### **SCENE 6 now what?**

**Drizella:** Now what?

**Fox:** I'm not sure.

**Sneezy:** What good is all of this page collecting?

**Snow White:** Stop being so Grumpy... Grumpy.

**Rosie:** Heh is that like a double negative and it cancels him out.

**Cindy:** No loss there.

**Snow White:** Aren't you supposed to be have courage and be kind.

**QOH:** How did you know that.

**Snow White:** I don't know.

**Girl:** Ooops sorry I mixed up a couple of pages. We still need two pages.

**Taco Lady:** I found these under a bush.

**Sister:** I hate to point out the obvious- but what happens now?

**Girl:** Magic words maybe?

**Cinderella's:** Bippity boppity Boo?

**Snow White:** Mirror mirror on the wall.

**Drizella:** Those are NOT magic words.

**Taco Lady:** Shazam

**Girl:** Wrong story.

**Pancake Girl:** Abracadabra

**QOH:** Off with their head.

**Drizella:** Oh come on. There is no magic in that.

**Grumpy:** You never know what might work.... Pickled eggs.

**Rosie:** That seems a bit extreme. Don't you think?

**Taco Lady:** Given all of this. I would be too hasty.

**Sister:** Isn't something supposed to be happening?

**Snow White:** I feel a bit strange.

**Alice:** Me too.

**Grumpy:** I still don't like any of you.

**Sneezy:** Aaaaaahchoooooooooooooooooo

**SND Q** Dream like book slam everyone makes it back to behind chair. Girl in chair.

Girl: Wow I must have fallen asleep. Weird dream. No such thing would ever happen to me. Gotta go get supper.

*(The characters all put their finger to their lips at audience as if shushing them. Then they follow the girl off stage.)*

**SND Q Curtain call**
